

Project Policies and Procedures

Students complete projects under the supervision of faculty members. The student must contact the faculty member and make arrangements to be supervised.

- Students are required to register for 3 credit hours in EVR 4910.
- A permit is required from the project coordinator in order to register. Students must contact the projects coordinator at least 4 weeks prior to the beginning of the semester during which they intend to complete the project.
- Students must contact the project coordinator and complete the necessary paperwork as soon as they decide to register for the project but no later than 4 weeks prior to the beginning of the semester in which they wish to complete the project.
- The permit to register will not be issued until students have a project contract signed by both the faculty member and the project coordinator.

Eligibility

- Students must be ESP majors.
- See projects coordinator for other internship eligibility requirements
