

VITA
JAMES P. MCHALE

Department of Psychology, University of South Florida St. Petersburg
St. Petersburg, FL 33701
(727) 873-4848

EDUCATION: Ph.D., 1992, University of California, Berkeley
M.S., 1985, Tulane University
B.A., 1981, University of South Florida

PROFESSIONAL EXPERIENCE:

2008- Professor and Chair, Department of Psychology, USF St. Petersburg
2006-08 Division Head, Psychology, Social Work & Philosophy, USFSP
2004-08 Associate Professor, College of Arts & Sciences, USF St. Petersburg
2000-03 Associate Professor of Psychology, Clark University, Worcester MA
2000-03 Director of Clinical Training, Clark University, Worcester, MA
2000-01 Extern, Philadelphia Child and Family Therapy Training Center
1994-99 Assistant Professor of Psychology, Clark University, Worcester MA
1993-94 Post-Doctoral Fellow, Children's Health Council, Stanford Med Center
1992-94 Post-Doctoral Fellow, Institute of Human Development, U. C. Berkeley
1990-91 Intern, Veteran's Administration Medical Center, Palo Alto, CA
1988-89 Intern, Langley-Porter Psychiatric Institute, San Francisco, CA
1986-87 Consultant, Asian Community Mental Health Services, Oakland, CA

PROFESSIONAL AFFILIATIONS:

American Psychological Association
Florida Association for Infant Mental Health
Society for Research in Child Development
Southeastern Psychological Association
World Association for Infant Mental Health

AWARDS AND HONORS:

Keynote Speaker, Strong Foundations: Minnesota's Birth-to-three Conference for
Healthy Development, January, 2010
Plenary Interface, World Association for Infant Mental Health, Leipzig, Germany,
July, 2010
Irving B. Harris Keynote Speaker, Illinois Association for Infant Mental Health,
Chicago, IL, September, 2008
Invited Special Address, Zero To Three National Training Institute, Orlando, FL,
November 2007.
Double Nominee, Outstanding Professional Paper, Southeastern Psychological
Association, February 2007

AWARDS AND HONORS (continued):

Kenneth Citron Memorial Lecturer, Department of Psychiatry, Mt. Sinai Hospital, University of Toronto Faculty of Medicine, November 2007
Nominee, Outstanding Professional Mentor Award, Southeastern Psychological Association, February, 2007
Winner, Outstanding Professional Paper (with post-doctoral student D. Elliston), Southeastern Psychological Association, March 2006
Keynote Speaker, Ontario Association for Infant Development, April, 2005
Irving B. Harris National Book Award of the *Zero to Three* Press, June, 2004
Decade of Behavior Lecturer, World Association for Infant Mental Health, 2004
Hayden Fellowship for Excellence in Research and Teaching, 1999-2000
Lee Gurel/John E. Bell Outstanding Faculty Mentor Award, 1996-97

GRANT FUNDED ACTIVITY

National Institute of Child Health and Development R21 HD050730, "Incarceration, co-caregiving, and child adjustment", 2006-2009, \$348,000
National Institute of Child Health and Development KO2 HD047505A, "Prebirth predictors of early coparenting", 2005-2010, \$405,000
National Institute of Child Health and Development R01 HD42179, "Prebirth predictors of early coparenting", 2002-2006, \$462,300
National Institute of Child Health and Development Underrepresented Minorities Program Post-Doctoral Supplement (to R01 HD42179), 2004-2005, \$66,500
National Institute of Child Health and Development R29 HD37172, "Coparenting and family-level dynamics during infancy and toddlerhood", 1999-2004, \$507,000
National Institute of Child Health and Development Underrepresented Minorities Program Pre-Doctoral Supplement (to R29 HD37172), 2000-2004, \$170,636
National Institute of Mental Health RO3 MH54250, "Family-level dynamics during the toddler period", 1996-98, \$175,000

GRANTS CURRENTLY UNDER REVIEW

National Institute on Drug Abuse R34 DA029251-01, " Residential Coparenting Intervention for Families with Children at Risk for Drug Use", 2010-2013, \$ 650,000 (Reviewed 10/13/2009)

PROFESSIONAL AND EDITORIAL BOARDS AND SERVICE:

Board of Directors	Florida Association for Infant Mental Health, 2007
Editorial Board,	Parenting Science and Practice, 2002-2007
Ad Hoc Editor	Family Process, 2008-
Ad Hoc Reviewer,	Child Development Developmental Psychology Development and Psychopathology

PROFESSIONAL AND EDITORIAL BOARDS AND SERVICE:

Infant Behavior & Development
Infant Mental Health Journal
Journal of Abnormal Child Psychology
Journal of Family Psychology
Journal of Personal and Social Relationships
Journal of Marriage and the Family
Parenting: Science and Practice
Psychological Bulletin
Social Development

GRANT AND CONFERENCE REVIEW PANELS AND SERVICE:

Program Planning Workgroup, *Zero To Three's* 2009 National Training Institute (January-July, 2009)

Review Panelist, Social Sciences and Humanities Research Council of Canada (December, 2008)

Review Panelist, Southeastern Psychological Association's 2009 regional conference (October, 2008)

Program Planning Workgroup, *Zero To Three's* 2008 National Training Institute (January-July, 2008)

Review Panelist, Social Psychology, Personality, and Interpersonal Processes Study Section (SPIP), Risk, Prevention, & Health Behavior Integrated Review Group, Center for Scientific Review, National Institutes of Health (June, 2008)

Program Planning Workgroup, *Zero To Three's* 2007 National Training Institute (January-May, 2007)

Review Panelist, Southeastern Psychological Association's 2007 regional conference (October, 2006)

Chair, Panel 19 (Family Relationships), Society for Research in Child Development's 2007 national conference (August-September, 2006)

Review Panelist, Social Psychology, Personality, and Interpersonal Processes Study Section (SPIP), Risk, Prevention, & Health Behavior Integrated Review Group, Center for Scientific Review, National Institutes of Health (March, 2006)

Program Chair, Florida Association for Infant Mental Health's 2006 state-wide conference (February, 2006)

Chair, Family Relations Panel, World Association for Infant Mental Health's 2006 Congress (July-August, 2005).

Program Chair, Florida Association for Infant Mental Health's 2005 state-wide conference (February, 2005)

Review Panelist, Panel 17, Parenting, Society for Research in Child Development's 2005 national conference (August-September, 2004)

Review Panelist, Family Relations Panel, World Association for Infant Mental Health's 2004 World Congress (June-July, 2003).

Review Panelist, Panel 19, Family Relationships, Society for Research in Child Development's 2003 national conference (August-September, 2002)

6. Kuersten Hogan, R., Haskell, V. & McHale, J. Beyond the lab: Coparenting dynamics during mealtimes of preschool-aged children
Discussant: James P. McHale

McHale, J. (2005, October). The construct of coparenting: Evolution of a key family construct. Paper presented at the Advances in Theory and Research on Family Development and Family-Based Prevention and Policy conference, Berkeley, CA.

Soyka, A., DePalma, K., Dickstein, S. & McHale, J. (2005, April) Family adjustment correlates of birth narratives told by new parents. Poster presented at the Southeastern Psychological Association, Nashville, TN.

Sterba, S. Dickstein, S., McHale, J. & Seifer, R. (April, 2005). Three dimensions of coparenting in early infancy differentially related to family variables. Poster presented at the Society for Research in Child Development, Atlanta, GA.

Thomas, S., Elliston, D., Waterston, L., Thompson, J. & McHale, J. (2005, April) What would you want to change? Parents' views of co-parenting. Poster presented at the Southeastern Psychological Association, Nashville, TN.

Hartman, O., Lieberson, R. & McHale, J. (2004, August). Cortisol reactivity to staged family-level stressors at 3 months post-partum. Poster presented at the meetings of the American Psychological Association, Honolulu, Hawaii.

CONFERENCE PRESENTATIONS (continued):

Kirschner, P., McHale, J. & Laird, J. (2004, April). Do successful businesspeople cite youth sports as among their formative life experiences? Poster presented at the meetings of the Eastern Psychological Association, Washington, D.C.

Kuersten-Hogan, Giampa, DeCoursey, & McHale (2004, January). Cross-task stability in parents' emotion conversations with toddlers. Poster presented at the World Association for Infant Mental Health, Melbourne, Australia.

Lieberson, R., Rotman, T., Berthonneau, G., Koller, R., & McHale, J. P. Coparental dynamics and early family functioning: A cross-site investigation. Poster presented at the 18th Biennial Meeting of the International Society for the Study of Behavioural Development Ghent, Belgium

Lieberson, R., Rotman, T., Hartman, O., Giampa, S., Kuersten-Hogan, R., & McHale, J.P. (2004, January). An analysis of early coparenting dynamics at 3 months post-partum. Poster presented at the 9th World Congress of the World Association for Infant Mental Health, Melbourne, Australia.

McHale, J. (2004, January). When infants grow up in multi-person relationship systems. Plenary address, World Association for Infant Mental Health, Melbourne, Australia.

Berkman, J. & McHale, J. (2003, April). Contextual factors associated with father-child interaction during triadic family play. Poster presented at the Society for Research in Child Development, Tampa, FL.

Chaffe, E., Robertson, L. & McHale, J. (2003, April). Diaper change commerce between mothers and fathers with their three month-old infants. Poster presented at the Society for Research in Child Development, Tampa, FL.

DiLallo, M., Gower, C., Nash, B. & McHale, J. (2003, August). The family represented: Mother- and father-child co-constructed narratives about families. Poster presented at the American Psychological Association, Toronto, Canada.

DiLallo, M., Haskell, V., Fish, K. & McHale, J. (2003, April). Infant's temperament and emotional reactivity predict emotion regulation strategies at 30 months. Poster presented at the Society for Research in Child Development, Tampa, FL.

Kerllenevich, M.A., DeCoursey, W. & McHale, J. (2003, April). Generations of emotion: Emotional climate in parental family of origin, meta-emotion philosophies, and child emotion regulation. Poster presented at the Society for Research in Child Development, Tampa, FL.

Haskell, V., DiLallo, M. & McHale, J. (2003, April). Family processes at infancy and the use of play as an emotion regulation strategy in the toddler years. Poster presented at the Society for Research in Child Development, Tampa, FL.

CONFERENCE PRESENTATIONS (continued):

Haskell, V., Valsiner, J. & McHale, J. (2003, June). Toddlers' processing of affect in symbolic self-soothing: The early development of symbolic play skills. Poster presented at the Jean Piaget Society, Chicago, IL.

Jorgensen, R., Kuersten-Hogan, R., Shaw, D. & McHale, J. (2003, April). Situating preschoolers' emerging emotional competencies in the family group context. Poster presented at the Society for Research in Child Development, Tampa, FL.

Khazan, I. & McHale, J. (2003, April). Do family processes alter links between parental depression during infancy and later toddler adjustment? Poster presented at the Society for Research in Child Development, Tampa, FL.

McConnell, M., Khazan, I., Lauretti, A. & McHale, J. (2003, April). Time to expand: Studying coparenting in families with multiple children. Paper presented at the Society for Research in Child Development, Tampa, FL.

Vo, E.D., Kurrien, R. & McHale, J. (2003, April). Understanding coparenting beliefs and practices in extended family systems. Paper presented at the Society for Research in Child Development, Tampa, FL.

Atherton, W. & McHale, J. (2002, March). Marital satisfaction at 12 months postpartum: Does the partner's perception of family work matter? Poster presented at the meetings of the Eastern Psychological Association, Boston, MA.

Alberts, A. & McHale, J. (2002, July). Macro vs. micro: An examination of microevents during family interactions that fuel global clinical impressions. Poster presented at the World Association for Infant Mental Health, Amsterdam, Netherlands.

Babigian, R., Waterston, L., & McHale, J. (2002, April). Family life with a one-year-old: What parents' stories tell us. Poster presented at the International Conference on Infant Studies, Toronto, Canada.

Berkman, J., Carleton, M. & McHale, J. (2002, July). Are there links between infant temperament and coparenting process at three months post-partum? Poster presented at the meetings of the World Association for Infant Mental Health, Amsterdam, the Netherlands.

Bush, L. & McHale, J. (2002, August). Is humor use in urban middle schoolers linked to better adjustment? Poster presented at the meetings of the American Psychological Association, Chicago, IL.

CONFERENCE PRESENTATIONS (continued):

Bush, L., McHale, J., Richer, D., Shaw, D., Smith, B. & Vinden, P. (2002, April). Academic attainment and self-confidence among urban youth: Does involvement in sports with family or indigenous mentors help? Poster presented at the Society for Research on Adolescence, New Orleans, LA.

Chaffe, E., Robertson, L., Lyubchik, A. & McHale, J. (2002, July). Beginning the family dance: Mother-infant and father-infant commerce during diaper changes at three months post-partum. Poster presented at the meetings of the World Association for Infant Mental Health, Amsterdam, the Netherlands.

DiBonaventura, M., DeCoursey, W. & McHale, J. (2002, March). A systemic look at families and marriages across the transition to parenthood: Family-of-origin effects on marital satisfaction. Poster presented at the meetings of the Eastern Psychological Association, Boston, MA.

Fish, K., DeCoursey, W., McConnell, M. & McHale, J. (2002, July). An examination of family group processes in high and low day care families. Poster presented at the World Association for Infant Mental Health, Amsterdam.

McConnell, M., Lauretti, A., Kuersten-Hogan, R., Blot, K. & McHale, J. (2002, April). Relations between marital quality and toddlers' behavior: Does coparenting mediate? Poster presented at the International Conference on Infant Studies, Toronto.

McHale, J., Pouquette, C., Carleton, M., Khazan, I. & DeCoursey, W. (2002, July). Do pre-birth expectancies about coparenting foreshadow post-birth coparenting dynamics? Poster presented at the World Association for Infant Mental Health, Amsterdam, the Netherlands.

Robertson, L., Chaffe, E. & McHale, J. (2002, April). How different are infants diapering experiences with mothers and fathers? Poster presented at the International Conference on Infant Studies, Toronto, Canada.

Shaw, D., Lauretti, A. & McHale, J. (2002, July). Babies and preschool siblings at play together: An analysis of initiating bids. Poster presented at the meetings of the World Association for Infant Mental Health, Amsterdam, the Netherlands.

Talbot, J. & McHale, J. (2002, July). Reintegrating individuals back into our understanding of within-family dynamics: Parental traits as moderators of marital-family linkages. Paper presented at the meetings of the World Association for Infant Mental Health, Amsterdam, the Netherlands.

Vo, E.D. & McHale, J.P. (2002). Parental roles in the Vietnamese family: Exploring the Vietnamese child's developmental niche. Poster presented at the World Association for Infant Mental Health, Amsterdam, the Netherlands.

CONFERENCE PRESENTATIONS (continued):

Vinden, P. & McHale, J. (2002, April). Are sport-involved middle school children at benefit or risk? Symposium presented at the Society for Research in Adolescence, New Orleans, LA. Individual symposium papers:

1. Shaw, D., McHale, J. & Vinden, P. Middle school boys and organized sports.
2. Smith, B., Vinden, P. & McHale, J. Middle school girls and organized sports.
3. Richer, D., McHale, J. & Vinden, P. The role of sports in the family-adjustment connection.
4. Bush, L., McHale, J. & Vinden, P. Should all kids play sports? What children tell us.

Waterston, L., Babigian, R. & McHale, J. (2002, July). Parents' stories about their families reflect individual and family functioning at infant age 12 months. Poster presented at the meetings of the World Association for Infant Mental Health, Amsterdam, the Netherlands.

Waterston, L. & McHale, J. (2002, October). What urban Hispanic middle schoolers say about their math and science education in elementary school. Poster presented at the Latino Psychology Conference: Bridging Our Diversity and Our Communities. Providence, RI.

Alberts, A. & McHale, J. (2001, April). Inter-family differences in triadic communication at 3-months post-partum: A microanalysis of bids and replies during mother-father-infant play. Poster presented at the Society for Research in Child Development, Minneapolis, MN.

Bush, L., McHale, J., Richer, D., Shaw, D., Smith, B. & Vinden, P. (2001, August). Functions of sport for urban, middle school children. Poster presented at the meetings of the American Psychological Association, San Francisco, CA.

Bush, L., McHale, J., Richer, D., Shaw, D., Smith, B. & Vinden, P. (2001, April). Sports, delinquency, and parental monitoring: Evidence for complex patterns of relationship. Paper presented at the Society for Research in Child Development, Minneapolis, MN.

Chaffe, E., DeCoursey, W. & McHale, J. (2001, April). Parents' personality traits, coparenting, and family dynamics at one year post-partum. Poster presented at the Society for Research in Child Development, Minneapolis, MN.

CONFERENCE PRESENTATIONS (continued):

Fish, K. & McHale, J. (2001, April). Parental employment, coparenting, and family interaction at one year. Poster presented at the Society for Research in Child Development, Minneapolis, MN.

Khazan, I., Vo, E. & McHale, J. (2001, April). Discrepancies in division of household labor and coparenting process at infant age twelve months. Poster presented at the Society for Research in Child Development, Minneapolis, MN.

McHale, J. & Lauretti, A. (2001, April). Charting the early evolution of the coparental alliance. Symposium presented at the Society for Research in Child Development, Minneapolis, MN. Individual symposium papers:

1. Pouquette, C., Talbot, J., Berkman, J., Jacob, K., Fulton, S. & McHale, J. Preparedness for coparenting: Prenatal triadic statements and discrepancies in parenting philosophies.
2. Khazan, I., DeCoursey, W., Talbot, J., Pouquette, C. & McHale, J. Discrepancies between expectations and reality of division of labor predict marital and family processes.
3. Carleton, M., Rotman, T., Fish, K. & McHale, J. Linking observational and narrative indices of coparental coordination and collaboration at 3 months post-partum.
4. Berkman, J., Alberts, A., Kavanaugh, K., Carleton, M. & McHale, J. Interparental coordination during 3-month still-face reunions and coparenting interactions at 3 and 12 months.
5. McConnell, M., Lauretti, A., Vo, E. & McHale, J. Quality of coparenting differs for older and younger siblings in two-child families.
6. Lauretti, A., McConnell, M., Mathew, A., Shaw, D. & McHale, J. Family pairings, coparenting connection, and early sibling interaction quality.

McHale, J. & Vinden, P. (2001, April). Middle school children and organized sports: Current controversies. Symposium presented at the Society for Research in Child Development, Minneapolis, MN. Individual symposium papers:

1. Bush, L., Vinden, P. & McHale, J. Sports, role models and delinquency: Children's perspectives.
2. Shaw, D., Vinden, P. & McHale, J. Sports and aggression: A case for the relevance of skill.
3. Smith, B., Vinden, P. & McHale, J. Sports and the self-perceptions of 7th grade boys and girls.
4. Richer, D., Vinden, P. & McHale, J. Involvement in organized sport and early substance abuse among urban youth.

CONFERENCE PRESENTATIONS (continued):

McConnell, M. & McHale, J. (2001, August). Drawing family connections: Adults' pictorial representations of their family dynamics. Poster presented at the American Psychological Association, San Francisco, CA.

McHale, J., Quinn, P., Kurrien, R., Mansfield, A., O'Donnell, E. & Geller, A. (2001, January). Raising the bar: Scaffolding research skills while generating cutting-edge data in the large introductory course. Poster presented at the National Institute on the Teaching of Psychology, St. Petersburg Beach, FL.

Waterston, L., Babigian, B. & McHale, J. (2001, April). Representations of family among parents with one and two young children. Poster presented at the Eastern Psychological Association, Washington, D.C.

Carleton, M., Rotman, T. & McHale, J. (2000, July). Assessing the family's coparenting dynamic at infant age 3 months. Poster presented at the International Conference on Infant Studies, Brighton, U.K.

Gershenson, I., Fish, K., McConnell, M., Gurland, S., Berkman, J. & McHale, J. (2000, July). Infant temperament and family group interaction at one year. Poster presented at the International Conference on Infant Studies, Brighton, U.K.

McConnell, M., Gurland, S., Lauretti, A., Zaslavsky, I. & McHale, J. (2000, July). Context-related shifts in coparenting behavior during infancy. Poster presented at the International Conference on Infant Studies, Brighton, U.K.

McHale, J. & Fivaz-Depeursinge, E. (2000, July). Extending our view beyond dyads: Family group dynamics during infancy. Symposium organized for the International Conference on Infant Studies, Brighton, U.K.

McHale, J., Lauretti, A., DeCoursey, W., Zaslavsky, I., Talbot, J. & Pouquette, C. (2000, July). Coparenting and triadic dynamics in one- and two-child families. Paper presented at the International Conference on Infant Studies, Brighton, U.K.

McHale, J., Fivaz-Depeursinge, E. & Corboz-Warnery, A. (2000, July). Recent empirical investigations of mother-father-infant triads: A primer for clinicians. Paper presented at the World Association for Infant Mental Health, Montreal, Canada.

McHale, J., Talbot, J., Lauretti, A., Pouquette, C. & Zaslavsky, I. (2000, July). Does knowledge of parents' or infants' traits facilitate predictions about the family's group dynamics? Poster presented at the World Association for Infant Mental Health, Montreal, Canada.

CONFERENCE PRESENTATIONS (continued):

Carleton, M., Rotman, T. & McHale, J. (1999, August). Assessing early coparenting dynamics within families via observational, narrative, and self-report methods. Poster presented at the 106th annual meeting of the American Psychological Association, Boston, MA.

Carleton, M. & McHale, J. (1999, April). A method for evaluating the triadic family processes of families with three-month-olds. Poster presented at the Eastern Psychological Association, Providence, RI.

DeCoursey, W., Lauretti, A., Kuersten-Hogan, R. & McHale, J. (1999, August). How families work: Linking family-work decisions by parents of toddlers to coordination of coparenting process during family group interactions. Poster presented at American Psychological Association, Boston, MA.

DiMario, H., Lauretti, A. & McHale, J. (1999, August). The family context of early sibling relationship patterns. Poster presented at American Psychological Association, Boston, MA.

Kuersten-Hogan, R. & McHale, J. (1999, April). Show me how you look when you are sad: Parents' coaching of children's emotional understanding. Poster presented at Society for Research in Child Development, Albuquerque, NM.

Lauretti, A., Hill, A., Connell, A. & McHale, J. (1999, April). Links between toddlers' nonverbal responses during doll play and family relationships. Poster presented at Society for Research in Child Development, Albuquerque, NM.

McHale, J., Lauretti, A. & Kuersten-Hogan, R. (1999, April). Linking family-level patterns to father-child, mother-child, and marital relationship qualities. Poster presented at Society for Research in Child Development, Albuquerque, NM.

Talbot, J., Pouquette, C. & McHale, J. (1999, April). The second wave of transition to parenthood research in context. Paper presented at Society for Research in Child Development, Albuquerque, NM.

Tibbitt, P., Richer, D. & McHale, J. (1999, April) Parsons and Bales revisited: New parents actual and wished-for family realities. Poster presented at the Eastern Psychological Association, Providence, RI.

Krasnow, A., Carleton, M., DiMario, H. & McHale, J. (1998, August). Measuring ego-control in toddlers and preschoolers: Methodological considerations. Poster presented at the 106th annual meeting of the American Psychological Association, San Francisco, CA.

CONFERENCE PRESENTATIONS (continued):

Krasnow, A., Kuersten, R., Lauretti, A. & McHale, J. (1998, April). Laboratory-based assessments of ego-control during the toddler period. Poster presented at the International Conference on Infant Studies, Atlanta, GA.

Kuersten-Hogan, R. & McHale, J. (1998, April). Stability in parents' use of emotion talk from the toddler to the preschool period. Poster presented at the International Conference on Infant Studies, Atlanta, GA.

McHale, J. (1998, July). Beyond conflict: Family positivity and young children's adjustment. Paper presented at the International Society for Social and Behavioral Development, Bern, Switzerland.

McHale, J. & Krasnow, A. (1998, July). Parental reports of coparenting and the social and behavioral adjustment of Chinese, American, and Indian preschoolers. Poster presented at the International Society for Social and Behavioral Development, Bern, Switzerland.

McHale, J., Kuersten, R. & Loding, B. (1998, August). Stability of coparenting process from the toddler to the preschool period. Poster presented at the 106th annual meeting of the American Psychological Association, San Francisco, CA.

McHale, J.P., Lauretti, A. & Talbot, J. (1998, April). Security of attachment, family-level dynamics, and toddler adaptation. Poster presented at the International Conference on Infant Studies, Atlanta, GA.

Eslinger, O., Magovcevic, M. & McHale, J. (1997, April). Coparenting conflict and sense of self during late adolescence. Poster presented at the meetings of the Eastern Psychological Association, Washington, D.C.

Grugan, P. & McHale, J. (1997, August). Mothers' and fathers' use of touch during play interactions with their toddler sons and daughters. Poster presented at 105th annual meeting of the American Psychological Association, Washington, D.C.

McHale, J. (1997, April). Parents' reports of coparenting behavior are linked to observed coparental process. Poster presented at the Society for Research in Child Development, Washington D.C.

McHale, J., Krasnow, A. & Slavick, M. (1997, August). Parenting style, marital quality, and family process as predictors of toddler's personality styles. Poster presented at 105th annual meeting of the American Psychological Association, Washington, D.C.

Magovcevic, M., Eslinger, O. & McHale, J. (1997, April). Recollections of childhood conflict and young adults' reasoning about depression. Poster presented at the meetings of the Eastern Psychological Association, Washington, D.C.

CONFERENCE PRESENTATIONS (continued):

Reese, E., Greenberg, J. & McHale, J. (1997, April). Marital distress, parenting style, and toddler adjustment: Direct and indirect effects. Poster presented at the meetings of the Eastern Psychological Association, Washington, D.C.

McHale, J. & Kuersten, R. (1997, April). Conceptions of family: Views from inside and out. Symposium presented at the Society for Research in Child Development, Washington D.C. Individual symposium papers:

1. Corcione, C., Lovell, S. & McHale, J. Individual differences in toddlers' responses to antagonistic coparental exchanges during family play
2. Grugan, P. & McHale, J. Links between recollections of family conflict and current problem-solving behavior in college-aged students
3. Kuersten, R. & McHale, J. Differences in families' emotional expressions within dyadic and whole family contexts
4. Lauretti, A. & McHale, J. Shifting patterns of parenting styles between dyadic and family settings: The role of marital quality
5. Loding, B. & McHale, J. Correlates of high father involvement within the family patterns of maritally distressed and non-distressed couples
6. Talbot, J. & McHale, J. Young adults' representations of family-level processes in their family of origin

Carpenter, K., King, A., Kuersten, R. & McHale, J. (1996, April). What does it mean when parent-toddler interaction changes noticeably from parent-child to whole family contexts? Poster presented at 10th biennial meeting of the International Conference on Infant Studies, Providence, RI.

Kuersten, R. & McHale, J. (1996, April). Feeling talk in the family and toddlers' understanding of emotions. Poster presented at 10th biennial meeting of the International Conference on Infant Studies, Providence, RI.

Loding, B., King, A., Kuersten, R. & McHale, J. (1996, April). When marital satisfaction doesn't predict: Family factors involved in mismatches between subjective distress and toddler adjustment. Poster presented at 10th biennial meeting of the International Conference on Infant Studies, Providence, RI.

Luthi, L., Kuersten, R. & McHale, J. (1996, April). Toddler-peer interactions: Learning and using negotiation strategies. Poster presented at 10th biennial meeting of the International Conference on Infant Studies, Providence, RI.

McHale, J. & Corcione, C. (1996, April). The 30-month-old in the family group: Assessing toddler behavior following positive and negative coparental interchanges during family play. Poster presented at 10th biennial meeting of the International Conference on Infant Studies, Providence, RI.

CONFERENCE PRESENTATIONS (continued):

McHale, J. & King, A. (1996, August). Supportive and critical remarks about coparental partners during parent-child play. Poster presented at 104th annual meeting of the American Psychological Association, Toronto, Ontario, Canada.

McHale, J., Lauretti, A., Kuersten, R. & Corcione, C. (1996, April). Toddlers' representations of family group interaction during doll play. Poster presented at 10th biennial meeting of the International Conference on Infant Studies, Providence, RI.

McHale, J., Loding, B., Blaisdell, B. & Lovell, S. (1996, August). Conceptions of parenting and coparenting among college-aged students. Poster presented at 104th annual meeting of the American Psychological Association, Toronto, Ontario, Canada.

McHale, J. & Johnson, D. (1995, April). The parenting dyad versus the family triad: Do co-parenting and whole family dynamics represent a distinct family domain? Poster presented at Society for Research in Child Development, Indianapolis, IN.

McHale, J., Neugebauer, A. & Radin, A. (1994, August). Preschool children's depictions of distance, affection and aggression in family doll play. Poster presented at American Psychological Association, Los Angeles, CA.
