

USF St. Petersburg presents:

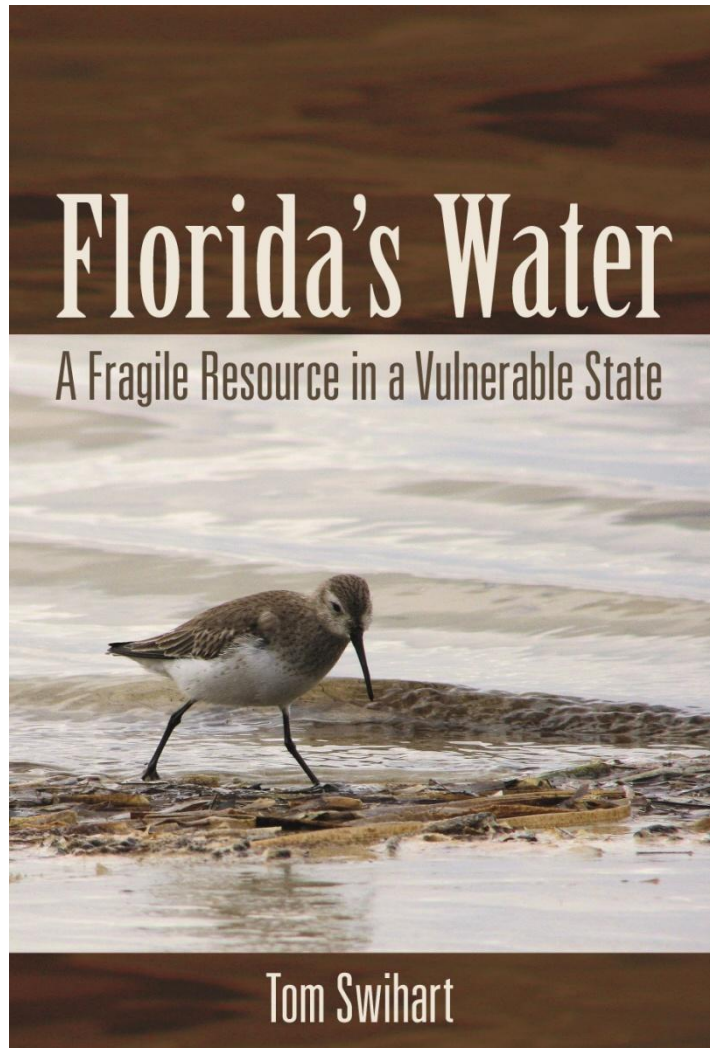

Tom Swihart

Tom Swihart is the author of [*Florida's Water: A Fragile Resource in a Vulnerable State*](#) (2011, Resources for the Future Press). In three decades as a water manager for the Florida Department of Environmental Protection, he oversaw adoption of state water quality standards and programs for water quality monitoring, water supply planning and conservation. Swihart is a founding member of the national Alliance for Water Efficiency and also runs the website waterfoundation.com.

3 p.m.

Monday, October 24, 2011
