ACADEMIC RENEWAL II APPROVAL FORM

Name_____ Student ID # U_____

Last term enrolled at a college/university_____

Term of USF admission/readmission _____

Under the Academic Renewal II policy, students who were academically dismissed or on formal academic probationary status from institutions of higher education after the completion of 60 or more transferable credits, and who have been engaged in successful non-academic activities – normally for at least five years – may be offered an opportunity to enter USF with grades from up to three academic terms dropped from consideration in the overall Grade Point Average (GPA) calculation. *

Students who choose to utilize Academic Renewal II may not be eligible to pursue certain limited-access majors. To determine the effect that Academic Renewal II would have on your academic record and academic future, you must schedule an appointment with the Academic Regulations Committee (ARC) representative in the college of your major. The representatives are:

College	Representative	Office Room #	Telephone #
Arts & Sciences	Ms. Joan G. Eldridge	DAV 134	(727) 873-4511
Business	Mr. Robert Thompson	DAV 134	(727) 873-4511
Education	Ms. Beatrice L. Smith	DAV 134	(727) 873-4511
Lower Level	Ms. Sheila Goethe	DAV 134	(727) 873-4511

If you do not enroll in the term for which you are admitted you must reapply for any future term.

We have met to discuss the options under Academic Renewal II and agree that the above named student should be granted Academic Renewal II.

Terms for which grades should be dropped (up to three allowed): _____

RETURN SIGNED FORM TO OFFICE OF ADMISSIONS & RECORDS, BAY 102

_____

***Students who use the Academic Renewal II policy will lose the credit earned during the terms (up to three) that are excluded from GPA calculations. Students will not necessarily have to repeat a course dropped from overall GPA calculation if the course was completed with a grade of "C-" or higher. Grades dropped from overall GPA calculation will be counted toward calculation of eligibility for honors at graduation.**
