

DID YOU KNOW?

The Leadership Development & Programming Office at USFSP has a listserv where you can send announcements and messages about important events to all subscribers!

Who can send emails?

Anybody! To send an email out through the listserv, simply send your announcement to USFSplead@it.usf.edu. Your email is then sent to everybody who has joined the listserv.

How do I join?

It's simple! To join, go to <http://tiny.cc/leadlistserv> and fill in the information under "Subscribing to USFSplead".

What should I send?

Anything! Got an important announcement or want to advertise an event? Feel free to send your information to USFSplead@it.usf.edu.

I have another question!

For other questions, contact Ralph Reid, Student Life Graduate Assistant, at roreid@usfsp.edu or by calling 727-873-4500.
