Appeals

Individuals who receive a parking citation and believe that extraordinary or mitigating circumstances warrant waiver of their parking fine may petition the Parking Services Department for reconsideration. Parking citations may be appealed within fourteen (14) calendar days of the date the citation was issued. If an appeal is not submitted within fourteen (14) calendar days from the date the citation was issued, the right to appeal is forfeited. Appeals may be made in writing, or electronically at:

http://www.usfsp.edu/parking/

Late fees do not accrue during the period that the appeal is under consideration.

The following are reasons that will not be accepted by Parking Services and the Final Appeals Committee as reasons to dismiss or reduce a citation. This is not an all-inclusive list:

- Disagreement with the Traffic and Parking Regulations
- Ignorance of the regulation
- Stated inability to find a permitted parking space
- Operation of the vehicle by another person
- Stated failure to issue citations previously for similar violations
- Tardiness to class and/or appointment
- Inability to pay fine (lack of money)
- Permits displayed incorrectly or expired permits.
- Traffic congestion
- Received bad verbal information
- Stated perception that designated parking area is not safe

Appeals should consider the following:

1. Make sure your reason for the appeal is not one of those listed above.
2. Prepare a concise written statement.

Those (non-students) dissatisfied with the decision of the Appeals Mediator may petition for review of the citation by the University Final Appeals Committee within 14 days of the appeal decision. The University Final Appeals Committee is comprised of faculty, staff and students. The decision of this committee is based on parking rules and regulations and constitutes the FINAL DECISION. If the citation that has been paid is dismissed in the appeals process a refund will be issued through the appropriate University refund process.

If a student is dissatisfied with the decision of the Appeals Mediator, they may make a final appeal to the USFSP Student Government Supreme Court.

Special Events

Event parking in large metropolitan universities can be a challenge. Our goal is to ensure that guests and visitors have a positive parking experience during their campus visit.

Special events are defined as any activity outside of the normal business and academic schedule of the University. Examples include but are not limited to: workshops, meetings, conferences, banquets, ceremonies, performances, camps and seminars.

Parking arrangements for events should be made in advance. The cost for parking may vary for these events. A minimum of three (3) weeks advance notice is required to coordinate event parking.

Camps and Conferences

USFSP has many academic and athletic camps and conferences. Parking arrangements for these camps and conferences vary depending on the time of the year and location.

It is necessary for sponsors of the camp or conference to make arrangements for parking and secure permits for participants, coaches, staff, etc. Parking Services should be consulted at the beginning of the planning process for the event.
