In order to be admitted into the College of Education, students must have a lower-level overall grade point average of 2.5 or greater.

Students must complete the Florida State mandated Civics Literacy Requirement in one of two ways: (1) Successful completion of either POS 2041 OR AMH 2020 or (2) Passing the Civics Literacy Exam.

NOTE: The recommended 4-year plan is designed as a blueprint for students to complete their degrees within a 4-year period. This plan is a recommended sequence of courses. Students should meet with their Academic Advisor and an Education faculty member to develop a more individualized plan to complete their degree.
