After the end of the first week, Add/Drop/Fee deadline, in each semester.

ADDITIONAL HELPFUL INFORMATION OR REQUIREMENTS

- **Petitions will not be processed** if an administrative hold exists on the student’s record. The student should log into OASIS to check the hold status. Resolve any holds before submitting this petition. The program/dept. should verify the student’s hold status before forwarding the petition for approvals. If a hold is found in the student’s record, do not forward the petition for processing. Notify the student of the hold and return the petition to him/her unprocessed.

- **A written letter or note** is required from the student indicating the reason for the petition request.

- **Written documentation or explanation** from an employer, doctor, etc. on letterhead verifying the circumstances associated with the petition request is required. A printed OASIS page indicating an error message can be submitted as proof of technical difficulties when you attempted to register or drop a class before the end of the first week of classes.

- **Petition requests** may take several weeks to process. Timing is determined by the availability of all the signers, processing time in each department and routing time from department to department via campus mail. The Office of the Registrar will send a copy of the petition to the student once processing has been completed.

- **Tuition/Fee Liability** An action taken on a petition may result in a late registration fee, late payment fee and additional tuition costs for the addition of credit hours. A petition to drop a course does not remove the student’s financial liability.

- **Fee Adjustment form:** If the student completes a petition to drop a course because of extenuating circumstances that were beyond their control, they may submit a Fee Adjustment Form directly to the Office of the Registrar for consideration after the petition request has been approved by all signers and processed by the Registrar. The Office of the Registrar will make a final determination concerning the fee adjustment request.

- **Late Registration Payment Waiver form:** may be completed and submitted to the Office of the Registrar if the student has registered and is paying their tuition late because of circumstances beyond their control.

- Both the Fee Adjustment form and the Late Registration Fee Waiver form can be found at: [http://www.registrar.usf.edu/data_display.php?link_type=Forms](http://www.registrar.usf.edu/data_display.php?link_type=Forms)
