City Preparations for Irma
Activated City Disaster Operation Plan (DOP)

- In days before the storm
  - City departments review internal staffing and disaster operations plan
- Thursday, Sept. 7
  - Meeting of Executive Policy Group for strategy review and decision making
- Friday, Sept. 8
  - Partial activation of the EOC
  - City staff on alert, beginning to stage at critical locations
  - Assets strategically staged around the city to ensure a swift response post storm (high water vehicles, boats, search and rescue teams, and debris push teams)
  - Sandbag distribution
  - Mandatory Evacuation Order given by Pinellas County
- Special Needs Transportation, PD/PO & shelters
