ACADEMIC RENEWAL II APPROVAL FORM

Name ______________________________________  Student ID #U _________________________

Last term enrolled at a college/university ________________________________________________

Term of USF admission/readmission ____________________________________________________

To use Academic Renewal II, you must meet the criteria below and submit a completed petition to
the appropriate Academic Regulations Committee representative no later than three (3) weeks
prior to the term of readmission choice.

Academic Renewal II is available to students who were academically dismissed or former students
returning with a USF GPA below 2.00 and have 60 or more earned credits from USF or other
institutions of higher education. These students will be considered for reinstatement to the University
under Academic Renewal II after a break in USF enrollment for a full academic year (fall, spring,
summer). Students may choose to complete major prerequisites at a non-USF institution during this
time, but are not required to do so. Students who choose to take courses at a non-USF institution
should meet with the academic advisor of their intended USF major prior to enrolling in courses
elsewhere. The Office of Academic Affairs or designee will, in consultation with the college of the
student’s intended major, make a final decision regarding the readmission.

Following readmission under Academic Renewal II, students will have their USF GPA calculated from
that point forward. In order to graduate, following readmission under ARII, all campus and major
residency and degree requirements must be met. Further, students who exercise the Academic
Renewal II policy will not be considered for University Honors at graduation unless they meet the
criteria using all grades earned.

Students who choose to utilize AR II may not be eligible to pursue certain limited-access majors. To
determine the effect that ARII would have on your academic record and academic future, you must
schedule an appointment with the appropriate Academic advisor.

The ARC Representatives are:

</tr>
</tbody>
</table>

All grades earned in the student’s academic history will be used in the calculation of GPA for the
purpose of Graduation with Honors from USF. Academic Renewal will only be applied to a
student’s academic record one time within the USF system.

If you do not enroll in the term for which you are admitted you must reapply for any future term.

We have met to discuss the options under Academic Renewal II and agree that the above named
student should be granted Academic Renewal II.
